## DIRECTIONS FOR USE

For hygiene use disposable gloves. Squeeze a generous amount of **Sheath Cleaner** into the gloved hand and gently work the product into the area to be cleansed. Remove any loose particles by hand, and then allow several minutes for the **Sheath Cleaner** to soften and loosen soiling.

Important: Rinse the application area very thoroughly with warm water, and then wash down.

Suitable for use on lactating mares. For breeding mares and stallions, wash the sheath and penis, or the vaginal area, before and after covering.

**FOR ANIMAL USE ONLY**

**KEEP OUT OF REACH OF CHILDREN**

**DO NOT SWALLOW**

If ingested give plenty of water. Do not induce vomiting. Contact a physician.

Avoid contact with eyes.
